The 5th International Conference on Control, Electronics, Renewable Energy, and Communications (ICCEREC 2026)
Eastparc Hotel, Yogyakarta, Indonesia, | October 20-22, 2026

We are delighted to welcome you to the **5th International Conference on Control, Electronics, Renewable Energy, and Communications (ICCEREC 2026)** – a revitalized global forum that brings together researchers, professionals, and innovators to shape the future of intelligent and sustainable technologies. This year, ICCEREC is held in a hybrid format, enabling participants to join both on-site and online from anywhere in the world, expanding access, inclusivity, and global collaboration.

Join us in exploring emerging innovations in AI-driven systems, smart grids, embedded intelligence, and future communication networks, while contributing to the global movement toward sustainability and digital transformation. We look forward to your participation – onsite or virtually – and to reconnect with the vibrant ICCEREC community, where ideas meet action, and innovation meets impact.

Welcome to ICCEREC 2026 – where sustainable intelligence begins.
